## Something New from Something Old

A Design and Sewing Challenge for High School Students

Dear Teachers and Students,

The Association of Sewing and Design Professionals and the Creative Stitches show is offering an opportunity to high school students to participate in 'Something New from Something Old' sewing and design challenge and fashion show.

This year students participating in the challenge are asked to use their imagination to create a wearable garment from old clothes, curtains, bed linens, or another existing textile item.

The students' work will be judged during the Creative Stitches show at the Abbotsford Tradex Centre held on March 23<sup>rd</sup> and 24<sup>th</sup>. Awards will be in the following categories:

- Most original creation
- Best use of fabric
- Audience choice

Students will also participate in a fashion show during the event to showcase their garment. The date and time of the fashion show will be announced when the show's schedule is confirmed.

Teachers should submit the following information for each participating student by the deadline of February 15<sup>th</sup> 2012:

- A photo of the original garment/textile item
- The Student must write a description of the finished garment, the inspiration/influence for the design, and a few lines about their interest in sewing.

Note: The garment does not need to be completed until March 23<sup>rd</sup>.

This year's show includes an opportunity to participate in the popular Apron challenge. More information on this challenge will be posted in January at [www.creativestitchesshow.com](http://www.creativestitchesshow.com)

Students and teachers are also encouraged to participate in classes being offered throughout the show for more information and to register please visit [www.creativestitchesshow.com](http://www.creativestitchesshow.com) website.

Teachers interested in bringing their students to the Creative Stitches show on Friday March 23<sup>rd</sup> will receive complementary tickets by contacting **Gil Viveiros** at [gil@cannorthshows.com](mailto:gil@cannorthshows.com)
